7. Field Trip :

06-07-2022

The Department of Physics organized Filed trip programme to the students actively involved in Programme, on 06-07-2022.

A REPORT ON EDUCATIONAL TOUR

The department of English, Government Degree College Uravakonda always strives hard to provide quality and need based education to its stakeholders. To achieve its objective, the students are involved in co-curricular and extra-curricular activities so as to encourage them to face the Global challenges confidently. In order to provide practical experience of new strategies of learning, gain knowledge on research and expose the students of rural background to Outer world, the department of English Planned One Day educational tour to S.S.A. Government first grade college (Autonomous) Bellary and Vijayanagara Sri Krishnadevaraya University, Bellary.

As part of its planning in-charge of the department S. Narayana Swamy Faculty of the department, Dr K Hanumantha Reddy and the students of II BSc MPC (T.M.) visited Bellary on 08-07-2022. Before proceeding towards college, \the faculty and students visited popular devotional Durgamma temple. After having Darshan of goddess Durgamma, we went to S.S.A. Government first Grade College. There the principal, staff and students warmly welcomed us.

AT DURGAMMA TEMPLE

Inaugural function of MOU:

Inaugural function of MOU was held in the auditorium. In her initial remarks, the principal Dr. R M Sridevi briefly explained the history and the present status of the college. According to madam, SSA Govt. first grade College (autonomous) ranks No. 1 in the state of Karnataka and 14th rank in all India level in terms of its strength and Excellency in education. Having attained “A” grade in NAAC accreditation, the college enjoys autonomous status. The principal madam also revealed the endeavours of the staff to convert College into cluster University since the college strength is around 5600. In our observation we also found relentless efforts of the staff and students in getting good grade in NAAC reaccreditation cycle III.

INAGURATION OF FUNCTION

WATERING THE PLANT, A UNIQUE TRADITION OF INAGURATION

Emphasizing the need of MOU's between the higher education institutes, the principal madam expressed immense happiness to have MOU between the department of English Government Degree College, Uravakonda and the department of English, S.S.A. Government first Grade College, Bellary. As per MOU the students of both colleges update their knowledge of English in various aspects and contribute to their language and literary development, learn practical aspects of English in day to day life. With mutual Co-operation, both the departments organise personality development programmes, guest lectures and competitions to enhance employability skills of students. In the presence of principal madam, MOU's were exchanged and decided to follow in letter and spirit.

EXCHANGE OF MOU

Students Interaction:

The students of both colleges interacted with one another on teaching, learning and evaluation methods followed in their respective colleges. Student's centric method is being adopted in both the colleges and internal evaluation is based on students' performance in internal exams, seminars and project works. They felt the need of developing communication skills analytical skills and soft skills to face highly competitive global market without any difficulty.

STUDENTS INTERACTION

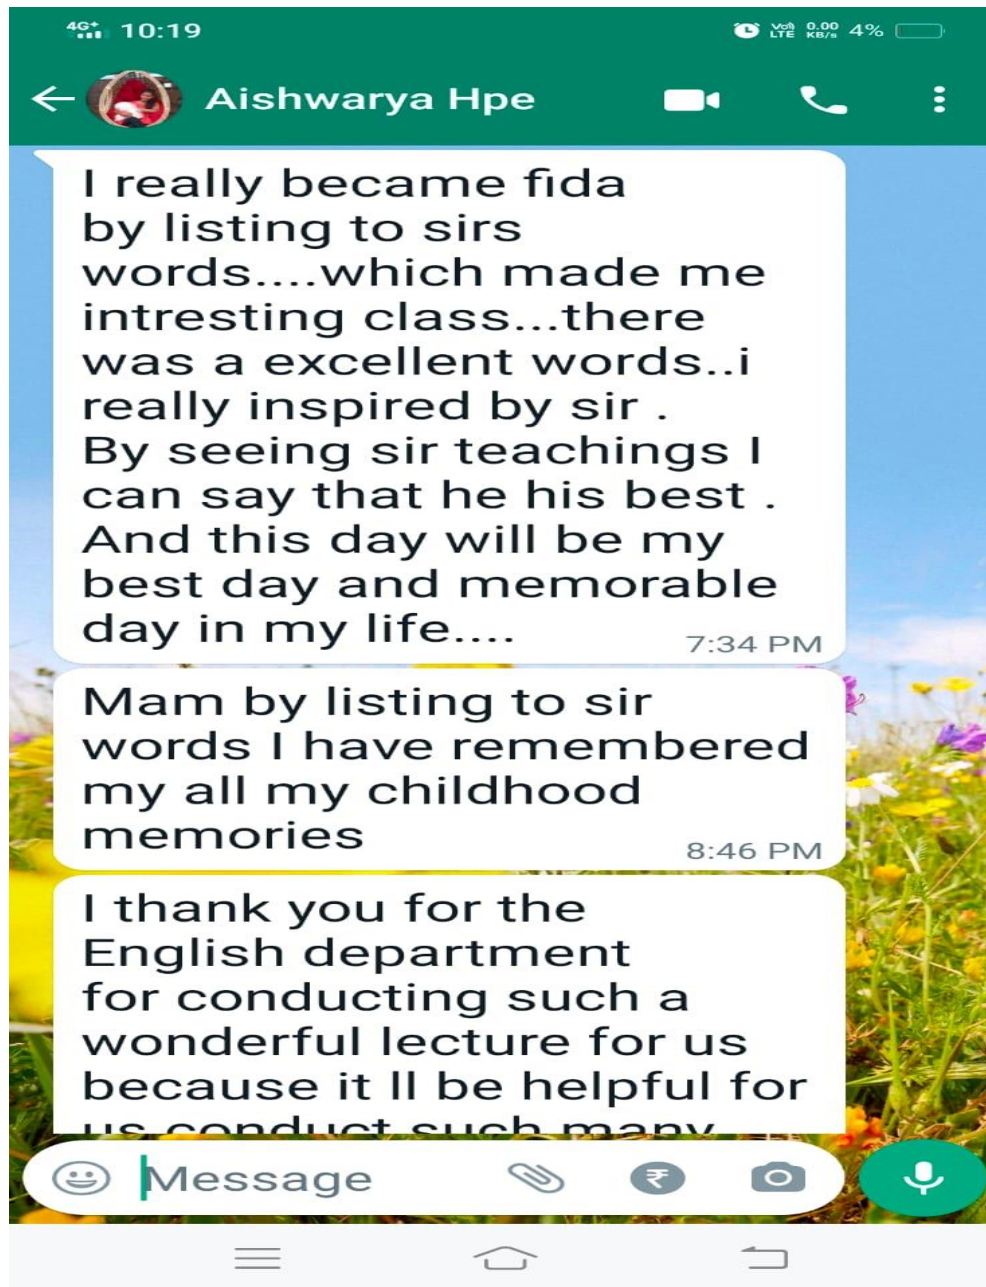

Guest Lecture:

As mentioned in MOU, a guest lecture was arranged by department of English S.S.A. Government first Grade College, Bellary. Dr K Hanumantha Reddy, faculty in English, department of English Government Degree College, Uravakonda delivered a lecture on Kamala Das's poem "A hot noon in Malabar". He explained the place of Kamala Das in Indian writing in English and her radical thinking. In her popular poem, kamla Das remembers her childhood observations in her native place Malabar she describes the activities of beggars, fortune tellers, kuruba girls, bangle sellers and strangers in hot noon of summer. She sympathizes with them. Imagination and diction in the poem appeals to every reader. After listening to the lecture students expressed their satisfaction through feedback. The principal madam, the faculty and students felicitated S. Narayana Swamy and Dr.K. Hanumantha Reddy.

DELIVERING A GUEST LECTURE

Feedback on Guest Lecture by Students:

FELICITATION:

The Principal, the in-charge of the department of English, Staff and students of S.S.A. College felicitated S. Narayana Swamy and Dr. K. Hanumantha Reddy after delivering guest lectures.

Hospitality:

We never forget the hospitality of principal madam, faculty of department of English and students. They provided snacks and Tea during interaction session. Delicious Lunch was also provided and we are short of words to describe their affection and reception. We expressed deep sense of gratitude and left for University visit.

A visit to Vijayanagara Sri Krishnadevaraya University Bellary:

Department of English:

First we paid a visit to the department of English. There professors Shanta Naik, Dr. Roberts and Dr. Satish received us warmly and showed us the portraits of literary giants in the department. Later we met Ph.D scholars and interacted with them. Research scholars explained their area of research and its prominence. Professor Shanta Naik and his colleagues took us to University canteen and arranged tea and snacks for us. They entertained us with classical kannada songs.

WITH UNIVERSITY PROFESSORS OF DEPT. OF ENGLISH

INTERACTION WITH PROFESSORS

A Visit to research centre:

We visited Chemistry research centre at University. There, research scholars explained research methods and practical showed distillation procedure. Our students raised queries over research methods, they explained they clearly clarified all the queries and mentioned the job opportunities for Chemistry background students.

Later we visited mathematics lab. There our students interacted with PG students of mathematics. They revealed how lab helps them and explained the use of Computer technology in mathematical applications.

CHEMISTRY RESEARCH LAB

MATHEMATICS LAB

University library:

Vijayanagara Sri Krishnadevaraya University, Bellary has a huge library having lakhs of books of all the subjects. Established in a serene environment, it provides latest versions of different subjects and congenial environment is created for student s. Within the library, there are different cells including research cell, competition cell and Publication cell. The University librarian Dr. Basavana Gowda took us around the library and explained the significance of library in acquiring knowledge. Our students visited different cells and interacted with the students of University.

UNIVERSITY LIBRARY

WITH UNIVERSITY LIBRARIAN

Students Feed Back:

An Educational Tour organized by department of English really helped me to understand learning strategies of students of other states. My visit to S.S.A. Government first Grade College, Bellary enlightened me a lot and gained huge experience in assignment writing and project work. Professors and research scholars at university have explained the methods of research and importance of life skills in reaching desired goals.

P. Lakshmi

I am very thankful to our sirs for making me part of educational tour. This tour is really thought provoking. Helped me to assess and analyse different learning techniques in other colleges. I felt very happy to visit different departments in the university. The librarian of the university with lot of patience took us around different book sections and explained latest arrivals in various subjects. It is really a memorable tour.

K. Kavya

I am short of words to describe our educational tour. It is really wonderful and enlightening too. The faculty and students of S.S.A. College provided very good hospitality. The interaction with students made me to comprehend the ways of doing project work and learning methods. Academic ambience in the university campus is also inspiring and the library is a treasure of knowledge.

P. Rama Devi

It gives me immense pleasure to share my feedback on educational tour. I am very much impressed by the attitude of principal madam, staff and students of S.S.A. College the hospitality we received is unforgettable. I gained lot of confidence after the tour.

G. Kumar

During educational tour, I observed many things. I learned a lot about project works as well as the value of soft skills. At university I observed commitment of PG Students and sincerity of research scholars. I will do research after my graduation.

E. Siddappa

I am very much satisfied and learned a lot in the tour. The tour inspired me to develop inter personal skills which are very much required to secure a good job. Interaction with students of S.S.A. College made me to learn different methods of learning. University professors also encouraged me to study post-graduation and motivated me to do research in the area of my interest.

K. Sunitha.

One day educational tour remains memorable throughout my life as it inspired me in many aspects. It made me to speak with others without any fear. I also learned how to develop communication skills and human relations.

J. Hemalatha

I express my gratefulness to our principal Dr.G.Ramakrishna sir for encouraging us and giving permission for educational tour. Because of this tour, I learned many things including how to give seminar, how to develop soft skills and how to reach our goals.

C. Narendhra Babu

I am very much thankful to the faculty of department of English for organising such a wonderful tour. The tour considerably enhanced my confidence and created awareness on learning strategies. I found new ways of solving mathematical problems in computer at university.

T.B. Gangadhara

One educational tour remains memorable in my student life as it encouraged me to reach my ambition without any fear. In my observation I realised how public speaking skills help us in our academic pursuits. The culture and traditions of Karnataka fascinated me. Really this tour provided me awareness on various academic activities.

D. Saritha

Conclusion:

We successfully completed our one day educational tour. It gave much needed boost to our student's confidence levels to speak without any fear. Our students got enlightenment on assignment writing, record writing and project work. Interaction with the students of other state also helped them to know more about learning strategies and importance of communication skills. Our student's interaction with research scholars at University inspired them to pursue higher studies and research. University professors motivated our students and explained the relevance of life skills in reaching desired goals. Students in their feedback expressed their gratitude to our principal Dr G Ramakrishna for encouraging and giving permission for the tour and they also thanked the faculty, department of English for arranging such a memorable and enlightening tour.
